

Iowa Commission of Veterans Affairs

Veterans Project Assistance

1. Project Description:

- a. Your vision and summary statement of the overall goal.
- b. Explain tangible outcomes of the project.
- c. Include any support this project would receive from governmental agencies, Veterans organizations, any community funding and or grants.
- d. Community benefits that would result from implementing the proposed project (i.e. recreational opportunities in areas with little to no recreational access).
- e. Explain if there would be any important landscaping characteristics of your project area that would benefit the creation of Veterans opportunities.

2. Applicant and Partner Roles:

- a. Describe your role and the level of commitment that would be provided to accomplishing this project.
- b. List the key partners involved, if any, with this project. Briefly summarize the existing or anticipated role or contribution of any partners.
- c. Please include commitment letters from any partners listed in the application other than from the applicant or individuals representing this application. Commitment letter should note the partner's support, list their anticipated project role, expected contributions, and responsibilities of the project.

3. Public Support:

- a. Describe the level of any public support to date and for any plans for future public outreach, participation and community inclusion.
- b. What are the biggest challenges and overall needs of the project?
- c. What type of assistance are you seeking from the Iowa Commission of Veterans Affairs? Please include a short description of the specific project needs for each item listed below.
- d. Prioritize the projects top needs in the description.
 - Defining projects visions and goals
 - Assessing and engaging partners and stakeholders in the process
 - Engage in acquiring community resources
 - Identifying funding sources
 - Designing community outreach and participation strategies
- e. Describe how your project advances one or more key Iowa Commission of Veterans Affairs strategic objectives. Projects that have one or more of these strategic objectives are given emphasis in the project selection process.
